

Making a difference everyday

Are you the missing piece? We're looking for volunteers to commit to a four hour shift each week, although we understand there are times you will be unavailable.

Becoming a key piece to our Parkwest puzzle is easy:

1. Return a completed application to Volunteer Services.
2. As positions become available, you will be contacted.
3. When selected, you will receive orientation and training in an area that best fits you.

Volunteers are a great fit

Parkwest offers a variety of volunteer opportunities. We match your skills and talents to best fit the needs of our various departments including:

Information – Greets and welcomes patients and guests.

Surgery Waiting – Updates family members on patients' status.

Registration/Outpatient – Escorts patients to various areas of hospital.

Joint Center – Assists physical therapists to ensure patients recover quickly.

Plus – Many special opportunities for those who have unique skills or interests.

Volunteer opportunities

Volunteer Services is an integral piece of the healthcare puzzle. Volunteers complete the Parkwest puzzle by providing services to many areas of the hospital. Their helping hands and caring hearts are greatly appreciated by patients, family members, staff, physicians and guests.

Volunteer Creed

A Parkwest Medical Center Volunteer has a passion for serving others, seeks the joy of giving and makes a difference every day; listens and shares a smile, touch and hope for patients, families and friends in support of our physicians, staff and community.
