

LEND A HAND TO THOSE IN NEED. VOLUNTEER AT PENINSULA.

Peninsula Hospital provides inpatient mental health services for adults, adolescents and children. The 155-bed facility provides a safe place for members of our community to stabilize and receive individualized treatment for emotional and behavioral issues. It is located in Blount County, just a few miles off of Pellissippi Parkway.

The staff at Peninsula needs your help with visitor check-in, activities, food service or in the library. All volunteers must commit to one four-hour shift per week. For more information, contact Camilla Fore, volunteer coordinator, at (865) 805-3439.
